EDUCATION

LE WAGON

Data Analytics Bootcamp
Batch #2295 2026

Google / Coursera

Google Data Analytics Professional Certificate 2026

UNINTER- Centro Universitário

Undergraduate/Technology Degree in Data Science 2026-2029

EFOMM – CIAGA

B.Sc. in Nautical Sciences – Marine Engineering 2016–2018

SKILLS

- Python / R
- SQL / BigQuery
- dbt
- Power BI / Looker Studio
- Excel / Google Sheets
- APIs / Insomnia

LANGUAGE

- Portuguese — Native
- English — Advanced

Carolina Muro Gomes

Data Analyst | Data Scientist | Business Analyst | Business Intelligence

ABOUT ME

I turn complex challenges into smart, data-driven solutions.
Data Analyst with a multidisciplinary background in engineering, business management, and team leadership. I combine analytical thinking, creativity, and storytelling to uncover insights, solve problems, and deliver meaningful results.

EXPERIENCE

Career Transition – Data Analytics 2026

UNINTER- Technology Degree in Data Science / OCT- Present

Pursuing a Data Science degree at UNINTER, combining academic studies with hands-on projects in Python, SQL, and Machine Learning.

Le Wagon / Independent Projects |MAY-OCT 2026

Developing hands-on projects using Python, SQL, Machine Learning and data visualization. Working with data cleaning, exploratory data analysis, APIs and analytical workflows to extract insights from real-world datasets.

Second Engineering Officer

Tidewater / Sapura / Bram Offshore 2021 – 2026

Operated, monitored and maintained complex marine engineering systems in offshore environments. Diagnosed technical issues, analyzed operational parameters and supported troubleshooting and maintenance activities. Coordinated crew members and worked within multidisciplinary teams under strict safety, reliability and operational standards.

Engineering Officer Cadet

Transpetro – Petrobras Transporte S.A. 2020- 2021

Supported engine-room operations, equipment monitoring and preventive maintenance aboard oil and LPG tankers, developing a strong foundation in technical analysis, safety procedures and systematic problem-solving.

Brazilian Navy

Officer / Military Training 2016- 2018

Developed discipline, accountability, adaptability and teamwork through military training and service in a highly structured and demanding environment.

PROJECTS

- **Les Misérables** — Literary Data Analytics & AI-Assisted Data Extraction
- **WEG Financial Analysis** — Power BI & DAX
- **Airbnb Data Analysis** — SQL & Looker Studio
- **Olist** — Statistical Analysis with Python

Explore all projects, dashboards, and datasets through my portfolio.
